PRESIDENT'S MESSAGE

Christine Brandon

Finally, the weather is beautiful again in the Sierras and everyone is out enjoying it! We are so blessed to live in such a beautiful place. The summer will be filled with many outdoor events and activities so please get out and enjoy it.

We want to thank Nick Marano, Carson City Manager, for speaking at our May luncheon. Please remember, he is a public servant but he answers to the Board of Supervisors, who employ him. He is in charge of executing their plan, he does not decide what the projects are going to be.

Paul Strasser, the new Carson City Republican Party (CCRP), formerly Carson City Central Committee, Chairman, also joined us for lunch at the May meeting and would like to see CCRW and CCRP work closer together.

If you would like to get more involved in our Party locally, please join the CCRP for their monthly meetings the 4th Thursday of every month. The social hour begins at 6:30 pm and the meeting is from 7:00 – 8:00 pm at Silver State High School. The CCRP also runs our Headquarters on California Street. Please consider volunteering at the HQ to meet and greet local Republicans and provide them information about our local clubs and campaigns.

CCRW is currently working with CCRP on the Freedom Fest which will take place on July 27th at Glen Eagles. I hope you all can come for a fun night where we celebrate our Country's birthday and being united as Republicans.

This month's Luncheon will feature one of our freshman assemblymen, you'll have to come to find out who it is! We look forward to seeing you there!

Don't forget to fly your flag on June 14th, its Flag Day!

My Best to All of You,

Christine Brandon, CCRW CPresident

GETTING TO KNOW OUR CCRW LEADERS

- **Name: Angela LoGiurato**
- **Current position: Co-President**
- **Involvement with the CCRW/NvFRW: Past CCRW 2nd VP & 1st VP. Currently on By-law, Budget & Freedom Fest BBQ committees.**

When did you join the CCRW? What prompted you to join? Joined in 2008 after the election of Barack Obama because of my concern of what his liberal values would do to our country.

What are your goals in regards to your CCRW position? To focus our attention more on the mission & objectives the club was founded on by providing a wider knowledge of the Republican Party through education, increasing our political participation & supporting in any way possible interested young Republicans. I believe this will help us accomplish one of our primary goals of growing & maintaining membership. I would also like to see us more involved with CCRP. If we ever expect to get back the NV senate & assembly we need to unite.

Where are you originally from? What brought you to Carson City? Born & raised in Chicago. Moved here in 1978 with my ex-husband due to a new job opportunity for him.

What is your professional background? 25 years in the insurance industry. I've been with Country Financial & Insurance for the past 20 years with my office here in Carson City.

Tell us about your family: I have 3 grown sons that live in south Reno. They are all married, have successful careers & have blessed me with 6 beautiful granddaughters.

Why are you a Republican? I am a Republican because of my fiscally conservative values & strong belief in our constitution.

CARING FOR AMERICA

IT'S JUNE!

June is a lovely month. It is a month with graduations, weddings and more. June 14th is Flag Day (fly Old Glory proudly), June 18th is Father's Day (don't forget DAD), the CCRW June luncheon is on Tues., June 20th at Casino Fandango and summer officially begins on the 21st.

Caring For America wants you, as CCRW members, to become involved in the political process and with your community. Thank you for your on-going support of our "causes".

Awaken, Inc. is a Reno-based non-profit organization that works to help women and children whose lives have been changed by commercial sexual exploitation (CSE). Our money goes to their "Building Fund". At our May luncheon "You" donated $78.00 to Awaken, Inc. In addition, Sandy Ehresman gave money in memory of her niece and Suzie Weissman gave a check to Awaken, Inc. Thanks for your generosity and caring!

Paws Up For Veterans is headed by Ann Kinney (775-230-2329). She works to provide *"Service Dogs For Those Who Have Served".* We were fortunate to have her and "Jennie" at our May luncheon. Thanks to "You", she will receive $92.00 for her worthy cause.

CASA (Court Appointed Special Advocate) continues helping abused or neglected children in Carson City. Besides needing roll-type suitcases (or bigger duffel bags and bigger backpacks) and fleece throws, CASA also needs clothing for the children (all sizes for each gender). Please help if you can to help these children get something to call their own. Thank you for your compassion.

Advocates To End Domestic Violence exists to help women (or men) and children who have been in abusive environments. "*Gently used*" clothing, twin-size bedding, household items and hygiene items are always needed. Please help if you can. Since school is out soon, if you have "gently used" children's books or board games that are "gathering dust", think of donating them to Advocates. Thank You! Thank You!

*"**Thanks Be***": to all of you who donated to Paws Up or Awaken, Inc. and to the following who also donated to our other causes: Janice Baldwin, Marie Bensinger, Karen Ferreira, Gale Harris and Judy Wakefield. **Republican women are awesome!**

You hear the word "attitude" used a lot now days! L. P. Jacks says it best: **"The pessimist sees the difficulty in every opportunity, an optimist sees the opportunity in every difficulty**". Here's to an "optimistic attitude"

You know you're a Republican if you believe

THE HISTORY OF FLAG DAY—JUNE 14

The Fourth of July was traditionally celebrated as America's birthday, but the idea of an annual day specifically celebrating the Flag is believed to have first originated in 1885. BJ Cigrand, a schoolteacher, arranged for the pupils in the Fredonia, Wisconsin Public School, District 6, to observe June 14 (the 108th anniversary of the official adoption of The Stars and Stripes) as 'Flag Birthday'. In numerous magazines and newspaper articles and public addresses over the following years, Cigrand continued to enthusiastically advocate the observance of June 14 as 'Flag Birthday', or 'Flag Day'.

On June 14, 1889, George Balch, a kindergarten teacher in New York City, planned appropriate ceremonies for the children of his school, and his idea of observing Flag Day was later adopted by the State Board of Education of New York. On June 14, 1891, the Betsy Ross House in Philadelphia held a Flag Day celebration, and on June 14 of the following year, the New York Society of the Sons of the Revolution, celebrated Flag Day.

Following the suggestion of Colonel J Granville Leach (at the time historian of the Pennsylvania Society of the Sons of the Revolution), the Pennsylvania Society of Colonial Dames of America on April 25, 1893 adopted a resolution requesting the mayor of Philadelphia and all others in authority and all private citizens to display the Flag on June 14th. Leach went on to recommend that thereafter the day be known as 'Flag Day', and on that day, school children be assembled for appropriate exercises, with each child being given a small Flag.

Two weeks later on May 8th, the Board of Managers of the Pennsylvania Society of Sons of the Revolution unanimously endorsed the action of the Pennsylvania Society of Colonial Dames. As a result of the resolution, Dr. Edward Brooks, then Superintendent of Public Schools of Philadelphia, directed that Flag Day exercises be held on June 14, 1893 in Independence Square. School children were assembled, each carrying a small Flag, and patriotic songs were sung and addresses delivered.

In 1894, the governor of New York directed that on June 14 the Flag be displayed on all public buildings. With BJ Cigrand and Leroy Van Horn as the moving spirits, the Illinois organization, known as the American Flag Day Association, was organized for the purpose of promoting the holding of Flag Day exercises. On June 14th, 1894, under the auspices of this association, the first general public school children's celebration of Flag Day in Chicago was held in Douglas, Garfield, Humboldt, Lincoln, and Washington Parks, with more than 300,000 children participating.

Adults, too, participated in patriotic programs. Franklin K. Lane, Secretary of the Interior, delivered a 1914 Flag Day address in which he repeated words he said the flag had spoken to him that morning: "I am what you make me; nothing more. I swing before your eyes as a bright gleam of color, a symbol of yourself."

Inspired by these three decades of state and local celebrations, Flag Day - the anniversary of the Flag Resolution of 1777 - was officially *established* by the Proclamation of President Woodrow Wilson on May 30th, 1916. While Flag Day was celebrated in various communities for years after Wilson's proclamation, it was not until August 3rd, 1949, that President Truman signed an Act of Congress designating **June 14th** of each year as **National Flag Day**.

CCRW MAY LUNCHEON MEETING
Lynn Sheeketski, 1st VP & Program Chair

Nick Marano, Carson City's City Manager, was our speaker at the May 16 meeting. Nick told us of forward-looking improvements under way in the city. Building permits are up as the area anticipates the housing needs of businesses coming to this area. Nick and his team are focusing on capital improvements like the wastewater treatment plant, the animal center, the athletic center, and the Carson City Streetscape. These will position the city for growth. The January and February flooding caused significant damage. FEMA has promised reimbursement funds for these repairs.

Our 2017 Scholarship winner Megan Tingle and her mother were in attendance and took a few minutes to thank the CCRW women for selecting Megan as the winner out of the five finalists.

Ann Kinney, Paws Up for Veterans leader, was present with her trained dog Jennie.

TRIVIA ANSWER

Washoe County's first seat of government was located in Washoe City, a small town south of Reno in Washoe Valley. By the early 1870's, Reno had begun to thrive as a regional transportation hub and was able to wrest the seat from its smaller neighbor.

CARSON CITY SUPERVISOR REPORT

Lori Bagwell, Ward 3

I am pleased to be serving as an Advisory Board member on TRIAD. The purpose of TRIAD is to encourage involvement to enhance the well-being and security among older adults through education and information. Some areas we will be focusing on include: community safety, disaster preparedness, fear of crime, fraud, identity theft, older adult abuse, older driver safety, prescription drug abuse and other topics that may be requested.

I would like to invite you to attend the inaugural event of TRIAD on June 9, 2017 at the Carson City Senior Center at noon. The event will feature presentations and displays from the Sheriff's Office focusing on activities of the SET team. A representative from the K-9 unit and other information all focused on educating and informing our community. The entire community is welcome to attend. We are planning on a monthly seminar at the Senior Center that will last less than hour. If you have ideas on issues you would like information on, please let me know.

LUNCH RESERVATION NEWS

Angela LoGiurato, Co-President

As many of you know we have been working on a new system to modernize our lunch reservations called evite. It is an email that is sent out to all members with email addresses. Some of you have informed us that you would like a phone call instead and our new Phone Tree Chair is Gale Harris. Please be patient with us as we work the bugs out of the new system and please report any problems to Gale at 291-2816 or to our new reservation email: CarsonRepublicanWomen@gmail.com.

We are also struggling with too many no-shows at our Luncheons, so please realize the Club pays for those. We understand illnesses and emergencies and we account for those, but the Club has to pay for the number we commit to, so if you know you aren't able to come, please call Gale or email using the address above by 10:00 am the Monday before the Tuesday Luncheon so we do not have to pay for your lunch. We appreciate your consideration in this matter.
