CCRW
CARSON CITY REPUBLICAN WOMEN

PRESIDENT'S MESSAGE

Members, Associates & Friends,

By now we have all gotten past the shock of the mid-term elections. I don't think any of us expected what happened. So, what do we do now? I'm not sure anyone knows yet how we can turn Nevada back around, but what I do know is that we can't give up! We thought we worked hard to get our elected officials in office. Over all we did a good job of getting Republican voters out, at least in the rural counties, but that obviously wasn't enough. That means going forward into 2020 we must work harder. I don't have the answers on what we need to do yet, but whatever it is, we need all of you. We must hang our heads high, move forward and all of us do our part.

For those of you that did not attend the November luncheon, I must say you missed a great one. Our 3rd annual Honoring Our Veterans meeting was a great success. We had 80 in attendance, including 20 veterans that were hosted by CCRW. In addition to our guest speaker District Attorney Jason Woodbury and a presentation by Paws Up for Vets, we had several other little things going on to honor and make it a special day for our veterans. Thank you to all that helped with this event.

Can it be time for mistletoe and holly? YES! December is a busy month: 12/3, Chanukah begins; 12/7, Pearl Harbor Day (1941); 12/18, CCRW Installation Dinner @ Casino Fandango; 12/21, Winter begins; 12/24, Christmas Eve; 12/25, Christmas Day; 12/31, New Year's Eve.

Our Caring For America "causes" do so appreciate your thoughtfulness and generosity. **YOU** put the caring in Caring For America! **Thank You!**

CASA always needs roll-type suitcases, duffel bags or bigger backpacks. They also need new undies, all sizes for both boys and girls. CASA, with your help, is a "smile maker" on the faces of abused or neglected children here in Carson City. **Thank You!**

The Northern Nevada Dream Center does "A LOT" for those in need of food or clothing and other services. They provide many meals a month and have a pantry at the Center well stocked to help the hungry. Think of donating "gently used" clothing for men, women or children to the Dream Center. At our November luncheon, YOU donated \$78.00 to this worthy cause. **Thank You!**

Paws Up For Veterans, based in Fallon, provides "Service Dogs For Those Who Have Served". Ann Kinney (775-230-2329) and her husband Bob acquire, house, feed, train and place a "Service Dog" free of charge with a Veteran in need. They are good at what they do and they appreciate your support! At our November luncheon, YOU donated \$113.00 to their program. **Thank You!** It was a JOY to see Ann, Bob, Ann's Mom and Sean and three of the "Service Dogs" at our luncheon.

Advocates To End Domestic Violence work very hard to get women and their children whose lives have been changed by Domestic Violence back into a "normal" way of life. Advocates provides parenting skills, counseling, job skills, while the clients are in a safe setting. They need "gently used" clothing and household items. Our tradition of giving **NEW, UNWRAPPED** gifts to the women and children for Christmas will continue this year. Please look for the list, elsewhere in this newsletter, or it will be sent to you as a separate item. Help to make their "Season Bright". Questions? Call 775-841-1732. **Thank You!**

"Thanks Be" for November goes out to: Marie Bensing, Margaret ?, Gale Harris and to everyone who donated to Paws Up or the Dream Center. Bless You!!

In closing, may each of you and your families enjoy the true gifts of this special season: PEACE, JOY, HOPE and LOVE.

SUPERVISOR REPORT

Lori Bagwell, Ward 3

I listened to a report from Kim Donohue from the Nevada Department of Veterans Services (NDVS) that I think you might be interested in some information. NDVS is tasked with assisting Nevada Veterans and their families. NDVS must first identify them. The department does not currently have a comprehensive way to maintain an accurate list of veterans within the state.

To help veterans receive all the benefits and services they are entitled to, NDVS is beginning a process of digitizing 88,000 DD-214's (military records) into an electronic format. It is estimated the project will take one year to complete. NDVS is asking for volunteers from the Carson City area (the records are at the State Library) to help scan the documents.

The States of Utah and Alaska funded the programming of the records, thereby making it possible for Nevada to participate at such a low cost. I thought maybe a few of you would like to volunteer to help with this worthy program. I know you feel as I do—our veterans matter—and this is a way for us to help them.

If you are interested in volunteering to help scan, please contact Kim Donohue at 775-825-9847 or by cell at 702-493-9117 or email donohuek@veterans.nv.gov

CCRW LUNCHEON MEETING NOVEMBER 20, 2018

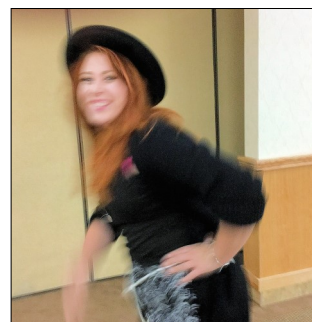

The Carson City Republican Women’s Club honored and hosted military veterans at their November luncheon. All branches of the military were proudly represented and their service was noted and appreciated. The ages of our proud veterans ranged from the 40’s to 91.

Our featured speaker was Carson City District Attorney Jason Woodbury. Jason explained the Grand Jury system in relation to the U.S. Constitution, Nevada Constitution and local guidelines.

In addition, Paws Up for Veterans was also represented. This organization trains dogs to aid and assist our veterans with no cost to the recipients. CCRW members donate to this organization to help fulfill the needs in order to assist the organization in their work.

CCRW encourages Republican women in the greater Carson City area to attend our meetings, which are held on the third Tuesday of the month. Our December installation meeting will be held in the evening on the 18th at Casino Fandango. Please feel free to contact us at carsonrepublicanwomen@gmail.com with questions or for reservations.

Trivia Answer

Pah is the Southern Paiute word for "water". Since water was so scarce in early Nevada, communities generally formed near places where water was found. Frequently, these areas or towns would adopt the native name for the place, which usually contained some reference to water.
