CARSON CITY REPUBLICAN WOMEN

**PRESIDENT'S MESSAGE**

Greetings Members & Associates,

Summer is here and we are gearing up for our annual Freedom Fest BBQ July 25 at Glen Eagles. This event gets bigger every year, so mark your calendars now so you don't miss it. Reservations are not necessary.

Our June meeting was well attended by members and guests to hear our guest speaker NV Republican State Chairman, Michael McDonald. Unfortunately, he had to cancel because he got a better offer for that day. Per President Trump's request, the White House flew him to Orlando, FL for the President's re-election rally. We were all very excited for him and had the pleasure of him speaking to us on the phone while he was sitting with the First family.

Thanks to Josh Skaggs, our NV Legislative Affairs Director, we still had an excellent meeting. Josh provided an overview of the 2019 legislative session and stressed how important it is for us to get Republicans back in control. He also had Ken Gray, Lyon County Commissioner and Paul Strasser, Carson City Republican Party Chairman speak. Both men gave us their input and updated us on everything they are working hard at to help turn Nevada Red again.

To all three of these gentlemen, thank you for your time and support of CCRW.

*Angela LoCivato*  
CCRW President

### CARING FOR AMERICA

Carolee Berglan, Chair  
841-1732

Happy Summer! Remember to fly your American flag on July 4th and to attend the Republican "Freedom Fest BBQ" on July 25th at 6 p.m. at Glen Eagles Restaurant. It will be a wonderful time to celebrate "patriotism, liberty and freedom" as Americans. Come and enjoy!

Caring For America thanks each and every CCRW member who supports our "causes". You are responsible members of our community.

**Paws Up For Veterans** is constantly helping local Veterans by providing a Service Dog at no cost to the Veteran. With your donations, you help Ann and Bob do what they do. At our June luncheon, you donated \$100.00 to Paws Up. Thank You!

**The Northern Nevada Dream Center** is helping, daily, people who need food, clothing or other essentials right here in Carson City. They need food items for their food pantry and "gently used" clothing. You donated \$73.00 at our June luncheon. Thank You!

**CASA** (Court Appointed Special Advocate) continues to help neglected or abused children. They need NEW underwear and socks for girls and boys in all sizes. CASA also needs our donations of roll-type suitcases. Please help if you can.

**Advocates To End Domestic Violence** appreciates your donations of "gently used" clothing, bedding, household items, paper goods and children's books or games. Advocates is always getting new residents and some come with nothing. They need our help.

Thanks, again, for you who donate each month to Paws Up or The Dream Center. You are kind and generous. Thanks, too, to our "cuddly creature" lady - Marie, THANK YOU!

I'd like to close with a quotable from former President John F. Kennedy: **"Let us not seek the Republican answer or the Democratic answer, but the right answer. Let us not seek to fix the blame for the past. Let us accept our own responsibility for the future."** With that in mind, let us all go "boldly" into "TRUMP,2020".

### OPPORTUNITY DRAWING

Marti Cockell, Chair

We continue with our 50-50 drawing. The lucky ticket holder will win 1/2 of the money collected from ticket sales. Many thanks to Alicia Eidel, our super ticket salesman!

## JULY FOURTH

On July 4, 1776, the 13 colonies claimed their independence from England, an event which eventually led to the formation of the United States. Each year on the fourth of July, also known as Independence Day, Americans celebrate this historic event.

Conflict between the colonies and England was already a year old when the colonies convened a Continental Congress in Philadelphia in the summer of 1776. In a June 7 session in the Pennsylvania State House (later Independence Hall), Richard Henry Lee of Virginia presented a resolution with the famous words: "Resolved: That these United Colonies are, and of right ought to be, free and independent States, that they are absolved from all allegiance to the British Crown, and that all political connection between them and the State of Great Britain is, and ought to be, totally dissolved."

Lee's words were the impetus for the drafting of a formal Declaration of Independence, although the resolution was not followed up on immediately. On June 11, consideration of the resolution was postponed by a vote of seven colonies to five, with New York abstaining. However, a Committee of Five was appointed to draft a statement presenting to the world the colonies' case for independence.

Members of the Committee included John Adams of Massachusetts; Roger Sherman of Connecticut; Benjamin Franklin of Pennsylvania; Robert R. Livingston of New York; and Thomas Jefferson of Virginia. The task of drafting the actual document fell on Jefferson.

On July 1, 1776, the Continental Congress reconvened, and on the following day, the Lee Resolution for independence was adopted by 12 of the 13 colonies, New York not voting.

Discussions of Jefferson's [Declaration of Independence](#) resulted in some minor changes, but the spirit of the document was unchanged. The process of revision continued through all of July 3 and into the late afternoon of July 4, when the Declaration was officially adopted. Of the 13 colonies, nine voted in favor of the Declaration, two -- Pennsylvania and South Carolina -- voted No, Delaware was undecided and New York abstained.

John Hancock, President of the Continental Congress, signed the Declaration of Independence. It is said that John Hancock's signed his name "with a great flourish" so England's "King George can read that without spectacles!"

Today, the original copy of the Declaration is housed in the National Archives in Washington, D.C., and July 4 has been designated a national holiday to commemorate the day the United States laid down its claim to be a free and independent nation.

## LEGISLATIVE UPDATE

SHERI LETOURNEAU, 1<sup>ST</sup> VP, LEGISLATIVE CHAIR

In-depth legislative results (many thanks to Yolanda Knaack) may be found at <https://nvfrw.squarespace.com/ballot-measures-legislation>. Listed below are a few highlights:

**AB226 Microchips:** Prohibits State, local governments and businesses, in fact anyone, from requiring the implantation of a microchip or any other permanent Identification marker in a person. Passed

**SB98 Homeopathy:** This bill was amended and now creates a new Homeopathic Board and keeps The changing face of Nevada. I recommend checking out the Federation's website for more them independent of the State Board of Health. The State Board of Health is composed of advocates of traditional medicine who are antagonistic to Homeopathy. This change is thanks to Senator Settlemeyer. Passed.

**AB186 National Popular Vote:** Vetoed by the Governor. NPV circumvents the Constitution and the Electoral College creating a "compact" between the states. Unlike the U.S. Constitution which requires three-quarters of the states to amend the Constitution, only states with enough electoral votes to equal 270 are needed for NPV to go into effect which could mean as few as 20 or less. According to NPV Compact they are more than 72.5% of the way to their goal or just 74 electoral votes short from putting the Compact into effect. The veto by our Governor could be crucial in stopping NPV.

**AB295 Planned Parenthood Sex Ed:** Removed from the counties the authority to determine their own sex education curriculum; mandated curriculum on gender stereotypes; mandated curriculum on access to reproductive health services including birth control and contraceptives and how and where to obtain them (Planned Parenthood). It mandated curriculum which "promotes inclusion and acceptance of gender identity or expression... sexual orientation". It never received a hearing.

**SB165 Assisted Suicide:** Only a miracle in the Senate could have stopped this horrible bill. In California and Oregon insurance companies have begun refusing life-saving treatment and instead encouraging people to choose the much cheaper option of assisted suicide. Senator Marcia Washington was appointed to take the place of the disgraced Kelvin Atkinson She was truly a gift from God. We needed 11 votes to stop this in the Senate. All the Republicans were against it and 3 Democrats were also against it. If she had not taken the place of Atkinson, Assisted Suicide would have passed.

**AB345 Same Day Registration & Wait 10 Days for Election Results:** This is Speaker Frierson's bill on Same Day Voter Registration and Voting. In Nevada, people register to vote in their county and then each night that information is sent to the Secretary of State to be verified. There is no way to immediately verify Same Day Registrants. Under Same Day, voters will be given a "provisional ballot" for all races and ballot questions. The people who cast these provisional ballots have to be verified as legitimate voters. As a result, we will not know the results of the election until 10 days after the election. This will give time for lawyers to prepare to challenge the results in court. In addition, there is no difference in the identifying numbers on driver's licenses of citizens and driver's authorization cards given to illegals. Therefore, with automatic voter registration at the DMV, we have built in institutional voter registration fraud. The cost of this bill is 3.4 million per election cycle. All Democrats voted Yes; all Republicans voted No.

**AJR2\* Same Sex Marriage :** This overturns Nevada's Constitutional Amendment for marriage between a man and a woman passed by 70% of Nevada's voters. Although the U.S. Supreme Court made it inoperative and LGBTQ advocates have achieved all they sought, they want more. It goes on the ballot for 2020.
