Volume 46 Number 6

JUNE 2021

PRESIDENT'S MESSAGE

Dear Fellow Members,

How nice is it to identify as fully vaccinated, and live mask-free after over a year of governmental flexing? The attendees of our last luncheon meeting filled every available seat, and the lilt of relief was recognizable.

Although our governor had not yet lifted the mask mandate, I noticed none at the NvFRW Spring Board meeting. CCRW was well represented at the meeting and the Regents reception the night before was so well attended women were spilling out into the hallway; it was beyond standing room only. The next board meeting, the NvFRW biennial convention, will be in October, so you have plenty of time to make arrangements to join us in Southern Nevada.

The speaker at our last luncheon meeting may not have been political in topic, but her message drew visceral reactions from the audience. Jennifer Hockaday's experience with and advocacy for survivors of domestic abuse had women coming to her after the meeting well beyond adjournment.

As session will be over by our next June meeting, we can finally have one of our legislators speak to the club at our next luncheon meeting. Assemblyman P.K. O'Neill will address CCRW about his experience representing Carson City in the 2021 session. It will be good to see

a refreshed Legislator, as Assemblyman Wheeler texted me last night to tell me his dog Cody misses me feeding him on late nights when Jim was in session. I miss Cody too, but I don't miss the drive back to Ruhenstroth!

Have a beautiful, safe and blessed Memorial Day Weekend, as we remember the price so many have paid for our freedom and American Values.

Warmest Nevada Regards,

Sherese Settlemeyer, CCRW PRESIDENT

CARING FOR AMERICA

Carolee Berglan, Chair
841-1732

Another month has gone all too quickly! June brings us: Flag Day on June 14th (fly Old Glory proudly), June 20th is Father's Day (Honor the person or the memories) and June 20th is the beginning of summer (stock up on sunscreen).

Caring For America is "powered" by YOU the members of CCRW. You are demonstrating that we care about our community in a giving and responsive manner. **THANK YOU!**

CASA (Court Appointed Special Advocate) helps the abused or neglected children of Carson City. Your donations of fleece throws, cuddly stuffed animals and roll-type suitcases (or bigger backpacks or duffel bags) show a child that we care and the smaller "Court Therapy Critters" bring a sense of comfort at court appearances. **THANK YOU!**

The Northern Nevada Dream Center greatly appreciates your monetary donations each month. At our May luncheon, you donated \$110.00 to this most worthy cause. Look for hand-outs about other things they need on our Caring For America table. **THANK YOU!**

Paws Up For Veterans acquires, feeds, houses and trains Service Dogs, **FREE** of charge, to be given to a Veteran who needs the support and love of their "four footed friend". That bond helps bring a sense of independence to the Veteran. Thanks, too, to Ann and Bob for all the work they do. At our May luncheon, \$144.00 was donated to this "life changing" cause. **THANK YOU!**

Advocates To End Domestic Violence appreciate your donations of "gently used" household items, clothing, twin sized bedding and towels. Please help if you can.

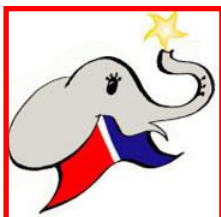

May "thanks be" goes out to all who donated to Paws Up For Veterans or The Dream Center and to these ladies who donated also: Marie Bensinger (CASA), Laura Fitz (CASA), Anita Kornoff (Advocates) and Jessie Vettel (Advocates). **THANK YOU!**

"Kindness Thursdays" is up and running. I'd like to thank the following ladies who are a part of Team Kindness: Kim Angelo, Mike Gutter, Kaye Keeton, Julie Landenberger, Taunya Milligan, Pat Wentworth and myself. You ladies are a blessing to our Seniors. **THANK YOU!**

I'll close with a quote from the legendary College Football Coach, Lou Holtz: **"Ability is what you're capable of doing. Motivation determines what you do. Attitude determines how well you do it."**

Happy days are here again, ladies! We can now be at full capacity at Fandango for our luncheons. We can be maskless if vaccinated and masks recommended for those who are not. Most attendees were maskless at our last luncheon.

Our new membership & bylaws directory is done and available for \$3.00 at our luncheon, or via email for free.

We continue to have a few people signing up for lunches who are no shows so **I am stressing that they notify Lori Bagwell if they cannot make it. We have to pay Fandango for everyone on the list. If you want to verify you are on the list call or text Lori.**

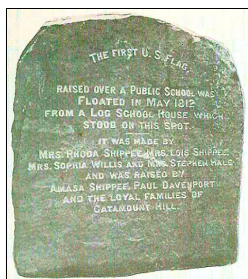

We continue to have new members joining. I encourage everyone to welcome those new faces. We are a friendly club!

I attend a CCRW Satellite meeting at the home of Candy Baker the 3rd Thursday of every month. I would encourage everyone who is interested in the Constitution to contact Janice Baldwin @ 775-841-1533 for further information.

FIRST SCHOOL FLAG RAISING—MAY 1812

In May of 1812 on the top of Catamount Hill, the Loyalists of Colrain, Massachusetts raised the first United States flag to fly over a public schoolhouse. It wasn't until after the Civil War that flying the flag at schools and other public buildings became a general practice. This event predates the Civil War by almost 50 years. The Massachusetts Historical Society at Boston has noted in past chronicles that there was no record of any earlier school flag raisings, thus giving the Catamount Hill patriots of 1812 the credit of being the first to raise a flag over a school-house in this country.

FIRST OBSERVANCE OF "FLAG BIRTH DAY"

The **Stony Hill School in Waubeka, Wisconsin** is the one-room school where on June 14, 1885 19 year old teacher, Bernard Cigrand and his students held the first observance of "Flag Birth Day." It was the anniversary of the flag's adoption. The school was built some time before 1880, with walls of fieldstone rubble, and with a hip-roofed porch across the front. The windows have board shutters. The school is now a museum and is a site of annual Flag Day celebrations. For this, the site was added to the National Register of Historic Places in 1976.

Nevada Trivia

What Nevada community was named after a female miner who was known as the "Copper Queen?"

Answer Page 9

The History of Father's Day in the United States

There are two stories of when the first Father's Day was celebrated. According to some accounts, the first Father's Day was celebrated in Washington state on June 19, 1910. A woman by the name of Sonora Smart Dodd came up with the idea of honoring and celebrating her father while listening to a Mother's Day sermon at church in 1909. She felt as though mothers were getting all the acclaim while fathers were equally deserving of a day of praise (She would probably be displeased that Mother's Day still gets the lion's share of attention).

Sonora's dad was quite a man. William Smart, a veteran of the Civil War, was left a widower when his wife died while giving birth to their sixth child. He went on to raise the six children by himself on their small farm in Washington. To show her appreciation for all the hard work and love William gave to her and her siblings, Sonora thought there should be a day to pay homage to him and other dads like him. She initially suggested June 5th, the anniversary of her father's death to be the designated day to celebrate Father's Day, but due to some bad planning, the celebration in Spokane, Washington was deferred to the third Sunday in June.

The other story of the first Father's Day in America happened all the way on the other side of the country in Fairmont, West Virginia on July 5, 1908. Grace Golden Clayton suggested to the minister of the local Methodist church that they hold services to celebrate fathers after a deadly mine explosion killed 361 men.

While Father's Day was celebrated locally in several communities across the country, unofficial support to make the celebration a national holiday began almost immediately. William Jennings Bryant was one of its staunchest proponents. In 1924, President Calvin "Silent Cal" Coolidge recommended that Father's Day become a national holiday. But no official action was taken.

In 1966, Lyndon B. Johnson, through an executive order, designated the third Sunday in June as the official day to celebrate Father's Day. However, it wasn't until 1972, during the Nixon administration, that Father's Day was officially recognized as a national holiday.

CCRW SCHOLARSHIP WINNER

Carson City Republican Women held their April 20th meeting at the Casino Fandango. As has been done for the past many years, CCRW awards a \$2000 scholarship to a graduating senior from the greater Carson City area. This year three very qualified seniors made presentations to the members of the Club and the winner was Olivia Syndergaard. In addition, Miranda Hoover was the guest speaker and, as always, an inspiration to the members and graduating seniors with regards to her accomplishments and insights.

Funding for the scholarship comes from proceeds from the annual NV Day Pancake Breakfast which is held at the Governor's Mansion.

Carson City Republican Women are proud to offer this scholarship and are rewarded by having the opportunity to meet and welcome our students as they move forward in their education.

Trivia Answer

The hamlet is Mina, located 34 miles south of Hawthorne. It was named in 1905 by officials of the Carson & Colorado Railroad in honor of Ferminia Sarras, a Nicaraguan-born woman of Spanish descent, who owned several successful mines in the region.
