FEBRUARY 2021

PRESIDENT'S MESSAGE

Dear Fellow Members,

Every odd year Nevada's Legislative Session begins in February. It's a cold one, and as much as I wish we were swearing in a new governor, I'm grateful to not have to wear my inaugural long-johns under a suit for an outdoor ceremony. I feel bad for the freshmen legislators who will not be allowed to have family present for their first swearing-in, as the building will be closed to the public for at least the first month.

What this closure means for Republicans is the majority party will take that time to ram through whatever they want, as they did in the last special session. They are trying to emasculate us in various ways I will not mention here, to protect my sources, but the opposition is emboldened and tenacious.

We will get through these times, and I am interested to hear what our new National Nevada Republican Committeeman Jim DeGraffenreid has to say about this when he speaks to the club.

Our next general membership luncheon is on Tuesday, February 16th at Casino Fandango, in the Grand Ballroom. At this point, we are still allowed to have meetings of 50 or less, with masks and social distancing.

Please stay well, and I'll see you on the 16th.

Sherese Settlemeyer, CCRW PRESIDENT

ADVERTISING IN CCRW NEWSLETTER AND ON THE CCRW WEBSITE CCRWClub.com

As you all well know, we have an advertising page in our newsletter that appears every month. Our newsletter goes out to not only our members and associates but to other clubs in Northern Nevada as well as our local and state officials. CCRW appreciates the support of our sponsors and welcomes your advertising support!

We support those who are in office and those candidates running for office. To this end, this is a perfect opportunity for them to advertise in our newsletter and on our website. We also want you to think of the businesses you support and ask them if they wish to place an ad with the Carson City Republican Women.

The cost for a business card size ad per year is \$60.00. (A monthly cost of just \$10.00.) We also offer quarter, half, and full-page ads. Please contact me with any questions. We can also post your business card on this website with a link to your own website at no additional charge. All cards and payments can be forwarded to me. Thank you for your support in this effort.

Advertising space is available for \$60 per year, including placement in our monthly newsletter and on our website. Please contact Sandy Markoe at sandy.markoe@att.net for more information.

CARING FOR AMERICA

Carolee Berglan, Chair
841-1732

HAPPY FEBRUARY EVERYONE! Remember: Febr. 2, Groundhog Day; Febr. 14, Valentine's Day; Febr. 15, Presidents' Day and our CCRW Luncheon on Febr. 16. Also, remember to wear your mask and stay happy, healthy and safe.

Caring For America is supporting: Advocates To End Domestic Violence, CASA (Court Appointed Special Advocate), The Northern Nevada Dream Center and Paws Up For Veterans again in 2021. Please stop by our table at any luncheon and learn more about how we are supporting these "causes".

Advocates To End Domestic Violence helps women, men and children whose lives have been affected by abusive relationships. Advocates benefit from your donations of "gently used" clothing, household items, twin size bedding, toys, books and games. Please help when you can.

CASA (Court Appointed Special Advocate) benefits from our donations of roll-type suitcases/duffels or larger backpacks, fleece throws and cuddly stuffed animals. Each suitcase/duffel or backpack is donated to CASA with a fleece throw and stuffed animal inside to show we care. Some of the stuffed animals become "Court Comfort Critters" and are given to smaller children who need to appear in court. Please help when you can.

The Northern Nevada Dream Center helps our community in so many ways. We help them by donating money at our monthly luncheons. Look for the tall cylinders on each table. At our January luncheon, you donated \$78.00 to their cause. Thank you so much!!

Paws Up For Veterans trains dogs to become Service Dogs for Veterans with such a need. The dog is "free" to the Veteran. Please look for the red or blue glass on your table at each luncheon. In January, you donated \$81.00 to help Ann and Bob do what they do, so well. Thank you so much!!

Our "Kindness Thursdays" at the Senior Center is "down" until the lunchroom opens once again. I will keep you posted when we can be there to help as needed, every Thursday from 11 to 12:45.

January "Thanks Be" goes out to everyone who donated money and to the following ladies who helped with our other causes: Marie Bensinger, Mary Burgoon, Beverly Collins, Laura Fitz and Susie Weissman. Bless you all!!

I'll close with this common sense quote from, then, President Trump: **"We can't have the cure be worse than the problem"**.

How did Valentine's Day start?

There are many versions, but the most popular appears to be the holiday has origins in the Roman festival of Lupercalia, held in mid-February. At the end of the 5th century, Pope Gelasius I replaced Lupercalia with St. Valentine's Day. It came to be celebrated as a day of romance from about the 14th century.

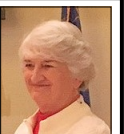

MEMBERSHIP

Membership Chair & 2nd VP Joann Mathis

Our January Membership meeting @Casino Fandango was a success with several new members attending. We placed Volunteer Opportunities forms (which were done by Anita Kornoff, beautiful job) on the tables for members to fill out and received nine forms back with people volunteering for various committees. This is a good start and I encourage more people to fill out these forms. So far we have a number of members interested in the Legislative Committee and hope to see more members signing up for the other openings.

This is a very important time politically for us. We are a united force and need to remain strong in numbers and spirit. We still have new members joining so we are giving people an avenue to participate in the political process. We are not just a social club. We are an active political club. Keep up the good work, ladies!

ABRAHAM LINCOLN

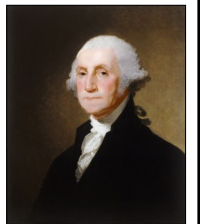

- **We the people are the rightful masters of both Congress and the courts, not to overthrow the Constitution but to overthrow the men who pervert the Constitution.**
- **Don't interfere with anything in the Constitution. That must be maintained, for it is the only safeguard of our liberties. And not to Democrats alone do I make this appeal, but to all who love these great and true principles.**
- **I see in the near future a crisis approaching that unnerves me and cause me to tremble for safety of my country; corporations have been enthroned, an era of corruption in High Places will follow, and the Money Power of the country will endeavor to prolong its reign by working upon the prejudices of the People, until the wealth is aggregated in a few hands, and the Republic destroyed.**
- **I know that the great volcano at Washington, aroused and directed by the evil spirit that reigns there, is belching forth the lava of political corruption in a current broad and deep, which is sweeping with frightful velocity over the whole length and breadth of the land, bidding fair to leave unscathed no green spot or living thing; while on its bosom are riding, like demons on the wave of hell, the imps of that evil spirit, and fiendishly taunting all those who dare to resist its destroying course with the hopelessness of their efforts; and, knowing this, I cannot deny that all may be swept away. Broken by it, I, too, may be; bow to it, I never will.**

Abraham Lincoln, a self-taught lawyer, legislator and vocal opponent of slavery, was elected 16th president of the United States in November 1860, shortly before the outbreak of the Civil War. Lincoln proved to be a shrewd military strategist and a savvy leader: His Emancipation Proclamation paved the way for slavery's abolition, while his Gettysburg Address stands as one of the most famous pieces of oratory in American history. In April 1865, with the Union on the brink of victory, Abraham Lincoln was assassinated by Confederate sympathizer John Wilkes Booth. Lincoln's assassination made him a martyr to the cause of liberty, and he is widely regarded as one of the greatest presidents in U.S. history.

GEORGE WASHINGTON

- **Government is not reason and it is not eloquence. It is a force! Like fire, it is a dangerous servant and a fearful master. Never for a moment should it be left to irresponsible action.**
- **When one side only of a story is heard and often repeated, the human mind becomes impressed with it insensibly.**
- **If the freedom of speech is taken away then dumb and silent we may be led, like sheep to the slaughter.**
- **Laws made by common consent must not be trampled on by individuals.**

George Washington led a remarkable life. He was the first president of the United States, commander of the Continental Army, and president of the Constitutional Convention. Born on February 22, 1732, in Westmoreland County, Virginia, Washington showed leadership signs from an early age. Although he wasn't perfect, just like all humans, there is much to admire about him and the way he led. Washington put his faith and his beliefs into action and truly tried to live by his own words and principles at all times. As someone who valued individual freedom, Washington treated everyone with the same respect regardless of rank. George Washington died on December 14, 1799, in Mount Vernon, Virginia, leaving behind a legacy as one of America's greatest leaders. Washington was a remarkable man, great leader, and the father of our country. He had high expectations of himself and his people.
