PRESIDENT'S MESSAGE

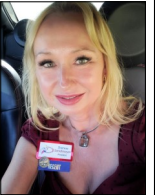

Dear Fellow Members,

We had a full house in April for our annual Scholarship Luncheon. The three finalist and their families were delightful, and the votes were close as all three delivered natural, compelling speeches. Miranda Hoover, a former recipient of the scholarship, spoke briefly about how the award helped her in the very beginning of her full and storied career as a conservative operative. Many thanks to Amanda, and congratulations to this year's winner Olivia Snydergaard!

By the time you read this the NvFRW Spring Board meeting will have wrapped up. It will be my last meeting as Northern Regents Chair. This year is going fast, so enjoy every moment, live in the moment and appreciate our Republican activists who have not given up the fight.

Warmest Nevada Regards,

Sherese Settelmeyer, CCRW PRESIDENT

CARING FOR AMERICA

Carolee Berglan, Chair
841-1732

It's time for "May Flowers" and: May 9th, Mother's Day; May 15th, Armed Forces Day and May 31st, Memorial Day. Time to honor your Mother and the brave men and women who have served so admirably in service for our country.

The purpose of Caring For America is to encourage CCRW members to become involved in their community. Our goal is to demonstrate that we care about our community by being a giving and responsive organization. That is why we support these "causes": Advocates To End Domestic Violence, CASA (Court Appointed Special Advocate), Paws Up For Veterans and the Northern Nevada Dream Center. Please read the following to see how you can help and questions are always welcomed.

Paws Up For Veterans acquires and trains Service Dogs for Veterans with that need, FREE of charge. If you donate money (in a blue or red glass) at our monthly luncheons, you will be helping Ann and Bob with the cost of what they so admirably do. In April, you donated \$133.00 to help them. **THANK YOU!**

The Northern Nevada Dream Center can be helped by making a monetary donation in the "cylinder" in the center of each luncheon table. There are also hand-outs on the CFA table telling other ways you can help. You will learn more about what they do. At our April luncheon, you donated \$84.00. They do **SO** much for our community.

CASA (Court Appointed Special Advocate) helps the needy or neglected children of Carson City. You can help by donating a fleece throw or a roll-type suitcase, duffel bag or a larger backpack. Your donations show that you care, and a child will be happy to have something of their own. The stuffed "cuddly creatures or court comfort critters" do bring a feeling of warmth and caring.

Advocates To End Domestic Violence appreciates every donation they receive. The women and children need your donations of "gently used" clothing, towels, twin-size bedding or kitchen things. Please help if you can.

You can also donate "travel size, motel size" hygiene items and they will be given to FISH for walk-ins who need them.

April "thanks Be" goes out to everyone who donated in a monetary way and to these ladies who also donated: Janice Baldwin (CASA), Marie Bensinger (CASA) and Carolyn Southard (Advocates).

"Kindness Thursdays" at the Senior Center will resume when the dining room can be opened to the public. We will be there from 11 to 12:45 every Thursday.

I'll close with a quotable by Luther Burbank: **"Flowers always make people better, happier, and more hopeful; they are sunshine, food, and medicine to the soul."** Remember that on Mother's Day, May 9th.

Membership Chair & 2nd VP Joann Mathis

I want to thank all the new members who have joined in the past few months. It is exciting to see the enthusiasm shown to be involved in committees. I see new friendships happening so thank you to everyone for your willingness to be involved in this club.

Membership lists, including addresses and contact information, were placed on the tables at the last meeting for attendees to review for errors or updates prior to the directories being printed. Some changes were made. The new directories will be available at the next meeting.

The group picture that was taken at the last meeting was sent to the headquarters of the National Federation of Republican Women and, hopefully, will be in their online newsletter in May.

CARSON CITY LINCOLN DAY DINNER 2021

MEMORIAL DAY

Memorial Day, originally called Decoration Day, is a day of remembrance for those who have died in service of the United States of America. Memorial Day was borne out of the Civil War and a desire to honor our dead. The date of Decoration Day, as it was originally called, was chosen because it wasn't the anniversary of any particular battle. It is now observed on the last Monday in May.

In 1915, inspired by the poem "In Flanders Fields," Moina Michael replied with her own poem:

***We cherish too, the Poppy red
That grows on fields where valor led,
It seems to signal to the skies
That blood of heroes never dies.***

She then conceived of an idea to wear red poppies on Memorial Day in honor of those who died serving the nation during war. She was the first to wear one, and sold poppies to her friends and co-workers with the money going to benefit servicemen in need. Later a Madam Guerin from France was visiting the United States and learned of this new custom started by Ms. Michael. When she returned to France she made artificial red poppies to raise money for war orphaned children and widowed women. This tradition spread to other countries. In 1921, the Franco-American Children's League sold poppies nationally to benefit war orphans of France and Belgium. The League disbanded a year later and Madam Guerin approached the VFW for help.

Shortly before Memorial Day in 1922 the VFW became the first veterans' organization to nationally sell poppies. Two years later their "Buddy" Poppy program was selling artificial poppies made by disabled veterans. In 1948 the US Post Office honored Ms. Michael for her role in founding the National Poppy movement by issuing a red 3 cent postage stamp with her likeness on it.

MOTHERS DAY

The official Mother's Day holiday arose in the 1900s as a result of the efforts of Anna Jarvis, daughter of Ann Reeves Jarvis. Following her mother's 1905 death, Anna Jarvis conceived of Mother's Day as a way of honoring the sacrifices mothers made for their children.

After gaining financial backing from a Philadelphia department store owner named John Wanamaker, in May 1908 she organized the first official Mother's Day celebration at a Methodist church in Grafton, West Virginia. That same day also saw thousands of people attend a Mother's Day event at one of Wanamaker's retail stores in Philadelphia.

Following the success of her first Mother's Day, Jarvis—who remained unmarried and childless her whole life—resolved to see her holiday added to the national calendar. Arguing that American holidays were biased toward male achievements, she started a massive letter writing campaign to newspapers and prominent politicians urging the adoption of a special day honoring motherhood.

By 1912 many states, towns and churches had adopted Mother's Day as an annual holiday, and Jarvis had established the Mother's Day International Association to help promote her cause. Her persistence paid off in 1914 when President Woodrow Wilson signed a measure officially establishing the second Sunday in May as Mother's Day.

Anna Jarvis had originally conceived of Mother's Day as a day of personal celebration between mothers and families. Her version of the day involved wearing a white carnation as a badge and visiting one's mother or attending church services. But once Mother's Day became a national holiday, it was not long before florists, card companies and other merchants capitalized on its popularity.

While Jarvis had initially worked with the floral industry to help raise Mother's Day's profile, by 1920 she had become disgusted with how the holiday had been commercialized. She outwardly denounced the transformation and urged people to stop buying Mother's Day flowers, cards and candies.

Jarvis eventually resorted to an open campaign against Mother's Day profiteers, speaking out against confectioners, florists and even charities. She also launched countless lawsuits against groups that had used the name "Mother's Day," eventually spending most of her personal wealth in legal fees. By the time of her death in 1948 Jarvis had disowned the holiday altogether, and even actively lobbied the government to see it removed from the American calendar.

ARMED FORCES DAY

On August 31, 1949, Louis Johnson, who was the United States' Secretary of Defense, announced the creation of an Armed Forces Day to replace separate Army, Navy and Air Force Days. The event stemmed from the armed forces' unification under one department – the Department of Defense. The Army, Navy and Air Force leagues adopted the newly formed day. The Marine Corps League declined to drop support for Marine Corps Day but supports Armed Forces Day too.

The first Armed Forces Day was celebrated on Saturday, May 20, 1950. The theme for that day was "Teamed for Defense", which expressed the unification of all military forces under one government department. According to the U.S. Department of Defense, the day was designed to expand public understanding of what type of job was performed and the role of the military in civilian life.

Armed Forces Day was a day for the military to show "state-of-the-art" equipment to Americans. It was also a day to honor and acknowledge Americans in the armed forces. Parades, open houses, receptions and air shows were held at the inaugural Armed Forces Day. Armed Forces Day is still celebrated nationwide today and is part of Armed Forces Week.

LEGISLATIVE CRIER
Susan Ruch, Legislative Chair

There are many issues taking place in our State and our Country today. I am listing a few things that are extremely important to our well-being. Please call and email your U.S Senators of both houses, your State Senators and you local Assemblymen/women. Your voices really do make a difference.

A great example is **Bill AB376**—the **Sanctuary State Bill** in which they removed the worst part of the bill. They removed the section of the bill which restricted law enforcement from addressing any illegal immigrants regarding their status in Nevada. This was huge. This bill still needs your help as it gives \$500,000 for legal defense for persons illegally here in our state. We need to stop this bill completely; this removal was a huge success and all of you are to be patted on your backs for helping with the **Sanctuary State Bill AB376**.

Another Victory was **AB286**, a **Gun Law**. The concealed carry part of the bill was completely removed, thanks to you. The section of the bill that makes Shadow Guns, gun kits, illegal is still in the Bill. Unfortunately, there are many people in our state who have this type of gun which has no serial number. We are probably not going to have this section removed, but we can demand that they add an amendment. What we need is to have these guns grandfathered. Otherwise, anyone who owns these guns will be committing a felony. Once more a victory, but we still need your help to protect law abiding citizens. Please call your Senators and ask for an amendment to the bill allowing this type of gun, Shadow Guns, already owned to be grandfathered in. **AB286**

Urgent, AB321 a sweeping change in our Nevada Election.

This bill would make Universal Mail Voting and Ballot Harvesting permanent. Election board officers who review electronic signatures would be appointed by the registrar/clerk (Like Joe Gloria in Vegas, Terrible idea!). As of today, the bill is in Ways and Means attempting to see how and if they can fund this bill. Please keep calling and emailing all Senators and tell them NO, we do not want this. Email/call the members of the Ways and Means and tell them you do not want this passed. Have neighbors, friends and family members call, swamp them with our messages. **NO on AB321**

On a National note, we have many issues to fight:

H.R.1 the bill called "For the Peoples ACT" is a bill that will completely change the way we vote. It would bring about all mail-in ballots and many other terrible ideas to help keep the Democrats in power. We need to Stand Tall for Nevada and the U.S. and tell our Senators **NO**. Call/Email Senator Rosen and Senator Cortez-Masto (she is up for Re-election in 2022). Tell them to Vote No on H.R.1. Also, you are welcome to contact all of the other Senators as well. Let them know that we are awake and watching.

Please send additional emails on each particular subject. Tell your U.S. Senators to **Vote NO** on the idea of **Packing the Court** (4 More Additional Supreme Court Justices, **Vote No on Adding Washington, DC as a State** and most importantly **Vote No on removing the** Filibuster. We need the Filibuster, tell the Senators do not end the all-important Filibuster.

Once more thank you for all of your help. Make sure to spread the information and encourage people to call the U.S. Senators, Nevada Senators and your Nevada Assemblymen/Women, it makes a difference. Stand Tall for Nevada, we love our state, we love our country.
