## President's Message

Dear Members and Friends,

What a busy, exciting summer we are having. On Thursday, July 21st, we had our *CCRW Freedom Fest* at Glen Eagle Restaurant. We are so fortunate to have Kim Fiegehen as a member of CCRW and appreciate her making her restaurant available to us. It is a beautiful setting, and Mother Nature provided a perfect evening.

Two hundred people enjoyed the evening of music, fellowship, and bidding on fun baskets created by our Freedom Fest committee members. The ghost of Mark Twain took us down memory lane, and Catfish Carl provided Live toe-tapping music! Our membership continues to grow as we realize the importance of supporting the Republican Party!

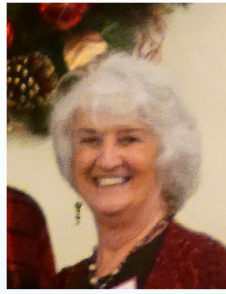

### HELP WANTED:

CCRW Is looking for a photographer to take pictures at meetings and events for our newsletter. These pictures also become part of our history. Please call Joann Mathis @ 530-227-4080 if interested or have questions. All that is required is a camera on your phone.

REMEMBER: If you lose a sock in the dryer, it comes back as a Tupperware lid that doesn't fit any of your containers.

*Humor is mankind's greatest blessing, Mark Twain*

## 1st VP/Programs Message

### WE ALL NEED TO OPT OUT NOW!

We are the only developed country in the world sending out massive mail-in-ballots. In 1997 Even Russia determined that it allowed too much voter fraud.

Therefore, I believe everyone should be *Opting Out* of getting a mail-in-ballot. The ballots cost [taxpayers] \$5 a piece, and it is extravagant to tear them up and vote in person. I *opted out*, and it worked perfectly. When the legislative session starts in 2023, the Democrats will be able to argue that we all enjoyed the convenience of receiving the ballot in the mail *because the voters had the option to Opt Out and did not use it.*

**Remember, we only have until September 9th to do so.** Go online at the Secretary of State's Website <https://www.nvsos.gov/sos/elections/voters/mail-ballot-voting>, or you can come to the Carson City GOP headquarters on California Street to complete the form.

The Republican Party in Carson City is preparing its slate card indicating who the Republican candidates are to help voters make the best conservative choices in November. There is much to be done by the Republican Party and We Need You! Please stop by the Republican Central Committee office at 1971 California Street or go to their website, [carsoncityrepublicans.com](http://carsoncityrepublicans.com), and sign up to volunteer in one of the many areas you can help turn Nevada Red!

"Bad officials are the ones elected by **good citizens who do not vote**," is a quote by George Jean Nathan. You must vote in November; it's imperative! Please encourage all of your friends and family members to vote. We must have a *Red Tsunami* to take back our country. Voters registered as non-partisans especially need to be introduced to Republican values. Bring them to a CCRW meeting with you.

God Bless America, Nevada, and you,

Next Month's CCRW September 20th Lunch Meeting speaker is Melissa Clements, Right to Life Director

# 2nd V.P. Membership Message

July was a very active and busy month for the club and membership. Let's work on making August even busier by spreading the word on what a great club CCRW is and all the many reasons to become a member.

- Membership joined in on two special events in July. One of the events gave us a lot more visibility in the community at Virginia City. We were able to join together with the Central Committee and create a float with our Republican Elephant. It was the club's first time entering the parade, and I'm sure it won't be our last. We may not have won the grand prize, but just being there and participating with Central Committee to let all the people know there is a Republican club in Carson City spreading the word *Republicans are still here Strong and Fighting for Freedom* was a winner for all of us.
- Membership took advantage of being able to set up a table at Freedom Fest on July 21st. I was able to greet everyone and talk with new people, give them applications and explain the importance and reasons to become a member of CCRW.
- We have had a few new members this month so let's take the time to say Welcome and Thank you for your support to Marilyn Dayen, and Debbie Fischer, both of Carson City.

Remember always be proud of being a Republican and belonging to this great club, CCRW. *Keep the Red Wave Rolling!*

—Beverly Collins

## CARSON CITY REPUBLICAN FLOAT, VIRGINIA CITY, JULY 4TH

Carolee Berglan, Chair, 775-841-1732

Is it really August already? How time does fly, or should I say ZOOM. Caring For America is already thinking about December. We will again participate in The Northern Nevada Dream Center's collection of *Dream Bags* filled with food for those who need help during the holidays. Also, once again, we will buy gifts for those living at the Advocates To End Domestic Violence shelter for the holidays. Advocates provide us with a *Wish List*, and we get to choose the gift we want to give to the person of our choice. You will get further information on each of the above. Stay tuned!

A true gift for ALL of us would be turning Nevada RED in November. Stay or Get involved and help *your choice* get elected. Remember: You can't complain if you don't vote!

Paws Up For Veterans and The Northern Nevada Dream Center will receive \$70 for July to help them continue to help those in need. Please know that BOTH organizations always appreciate your donations! The red or blue glasses and the tall cylinders on every table are awaiting at our August luncheon. Thank you, in advance, for CARING!

CASA (Court Appointed Special Advocate) needs NEW socks and underwear for boys and girls in all sizes. School will be starting again soon, and these items are needed. Thank You!

*Thanks Be* goes out to Mary Burgoon and Suzie Weissman for their donations to Advocates. Bless you, both for having the *Spirit of Giving* and such *Caring Hearts*.

If at any time you have questions about any of our CCRW Causes, please feel free to give me a call or stop by your *Caring For America* table at a monthly luncheon, and we'll talk.

I'll close with George Washington Carver's quote: *Resolve to be tender with the young, compassionate with the aged, sympathetic with the striving, and tolerant of the weak and the wrong. Sometime in life, you will have been all of these. Let's all CARE ABOUT AMERICA!*

—Carolee Berglan

## NOTE'S FROM THE EDITOR

# Update on the Republican Logo with upside down stars

We received a response to the question I pondered in the last issue of this newsletter. WHO, WHEN, AND WHY were the stars on the GOP elephant turned upside-down? It piqued the curiosity of one of our readers, who sent me this informative email with links to some answers.

*I could not resist looking up your question about why the stars on the elephant logo are upside down. Check these out. "Why were the stars turned upside down in the Republican Elephant in 2000?" This Bing video explains the star concern.*

*Also, see Political Pistachio: Study of the GOP's Upside Down Stars explains nicely that it was NOT Bush and offers a couple of ideas.*

*Please do a follow-up article once you find the answer!  
Warm regards,  
Kathryn E Kelly, DrPH, MEd,  
Executive Director I-School*

Thanks, Kathryn; this research disproves at least two of the below-noted myths surrounding the change.

#### A Few of the Theories

- The GOP made a deal with the devil, and the inverted stars represent a pentagram!
- When a country is in distress, its flag is flown upside down—thus the change.

- Some college intern graphic designers did it for fun to see if anyone would notice.

As a result of the research Kathryn found, we can rule out that the change came in 2000. Many campaign logos and election buttons before the emergence of Bush Jr. portrayed the stars upside-down. So, that rules out the deal with the devil theory. You can see examples on the website: [Political Pistachio: Study of the GOP's Upside Down Stars](#) (referenced earlier).

Further, this change—the elephant with the three upside-down stars did not happen randomly or covertly. According to U.S. Trademark Applications and Registrations Retrieval database, it was issued Trademark No. 1908397. The trademark registration filed in 1993, was registered in 1995. The application cites a first use date in 1969 and includes the rule booklet from the 1972 Republican Convention, complete with upside-down logo stars.

So that debunks the theory that some graphic artist made the change accidentally or as a joke.

However, it still leaves the question, who decided on the reversal when the trademark was applied for and why it was done? *Still wondering...*

# CCRW FREEDOM FEST

We would like to thank all who attended our annual Freedom Fest. It was fun, well attended, and a great chance to catch up with friends and make new friends! Thanks to Kim and Eric of Glen Eagles for their love and support!

*Janice Baldwin, Committee Chair*

Personifying prehistoric beauty, theological relevance, and environmental importance, this August 12, we honor one of Earth's most magnificent

creatures with World Elephant Day. Over the last decade, the number of elephants has significantly dropped by 62% and they could be mostly extinct by the end of the next decade. For information on how to help, please go to: [nationaltoday.com/world-elephant-day/](http://nationaltoday.com/world-elephant-day/).
