President's Message

Merry Christmas and Happy New Year to all our members and guests! Thank you to all who attended our Annual Installation Dinner at Fandango on December 13. Thank you to Caroline Smith, NFRW President, for being the Installing Officer for our new member Installation.

Here are some of the highlights from that evening. I shared my personal story of how I became a member of CCRW. When my husband and I moved to Carson city four years ago, I had a caregiver for my husband two days a week, and two of those days a month were reserved for CCRW. I had been a member of Republican Women in Redding, California, and did my research once I knew we were moving to Carson City.

I found this club very welcoming, and I connected with very friendly members in my first meeting here. I very quickly found myself active in this club! We do have a political purpose as well as a social one. To emphasize the political side, our 1st VP Susan Ruch is chairwoman of CCRP in Carson City.

Normally we present the Woman of the Year award at this dinner, but this year we had several of our members who couldn't make it, so this was postponed until our luncheon in January. The suspense builds, so please come to our luncheon in January!

The next event was the President's Appreciation Awards. This was a tough one, as we have several extraordinary ladies who are active in our club and contribute a lot! I narrowed it down to two ladies who have personally helped me to figure out what I was supposed to be doing and both have been in the club for several years. Both are past presidents, have chaired many committee positions, and are always available to answer my many questions. Janice Baldwin was one of the first members I met at my first CCRW meeting. She was 2nd vice at the time and very good at promoting membership. She has since then become a mentor and friend in the workings of this organization.

Mary Burgoon has also been a long-standing member who filled many roles and always stepped up when needed. Thank you for your leadership on the Nevada Day pancake breakfast and for always being a phone call away with my questions!

We currently need a secretary for our Executive Board. I'm sure that there are qualified ladies in our membership who would do an excellent job and be a vital part of our club! Please call me with any questions @ (530)227-4080. I have found it is very rewarding to be on the Executive Board and a great way to meet some wonderful ladies.

Quote of the Day: "If you spend too much time thinking about something, you'll never get it done!"

See you in January!

President Joann

New Year's Message From Susan Ruch

CCRW's 1st V.P. of Programming &
Chairman of the Carson City Republican Party

JANUARY 1ST, 2023

On behalf of the Carson City Republican Party, I wish everyone a very Happy New Year and would like to share some of the Republican Central Committee's news.

This past year has been tough with the Biden administration in charge, and the 2022 election not turning out exactly as we would have liked. Americans are solid and forward-thinking; we must continue this perseverance to save our nation. I ask each of you to raise a glass to the greatness of our nation and look forward to 2023, when we start taking back a little more of our country with determination and goodwill.

Beginning this year, I want to acknowledge the patriotic volunteers who do so without any expectation of glory. Let's start with the dedicated people who move our Elephant, *Lincoln*, to at least a half dozen events throughout the year. Dan Holden and Joy Trushenski are instrumental in all the plans for the decorations of the float and the coordination of moving *Lincoln*. We are fortunate to have two additional people, Graham Barton and Ron Bratsch, who are assisting with moving our elephant and another position within our organization.

It is vitally important that we recognize our large staff of volunteers who enable us to keep our Headquarters office open most days, Monday through Saturday. For a complete list of their names, please see this article in its entirety on our website ccrwclub.com. I share these people's names to give

them the recognition they deserve. Each one brings their unique talents and dedication to our organization. I am personally grateful for every one of them.

On January 3 at noon, Joe Lombardo will be sworn in as our new Governor. As the inauguration takes place, we must hope our new Governor will be the one to quicken the process of returning sanity to our state when the 2023 legislative session starts. All eyes will be on Gov. Lombardo and what legislation he signs. It will be an exciting three months since rumor has it there is troublesome legislation being written by our Democratic Senators. Please stay engaged by writing and calling the Assemblyman and Senators. The Nevada Republican Party is rolling out a program to help make this process easier. I'll keep you posted.

If you have strong concerns about the legislature and the laws that are likely to be passed, this would be an excellent time to stand up and register as an unpaid lobbyist. We will train at the Republican Headquarters on January 9 at 4 p.m. The training will be conducted by long-time Lobbyist Janine Hanson who I greatly respect. With the building open this session, we expect a large group of trained lobbyists. Let's help stop the worst of them from passing. Honestly, we need people such as yourself to step up and help.

If you are interested in attending the training, call me

at 775 351-3917 or email me Chair@carsoncityrepublicans.com.

Abraham Lincoln stated, "the best way to get a bad law repealed is to enforce it strictly." Unfortunately, in the state of Nevada, Ballot Harvesting is legal. Therefore, following Presidents Lincoln's theory, the fastest way to relieve ourselves of this outrageous ballot harvesting law is to be legally better in this practice than the leftist Dems. (For details on the theories on what can lawfully be done please refer to my article on our website.)

We cannot wait until the last minute. As we move into 2023, we will modify our **General Meetings on the 4th Thursday of every month, held at the Fandango at 6:30 p.m.**

If you are a member of the CCRW but do not attend the central committee meetings, we not only invite--but strongly encourage you to begin this year. Please watch this website for updates and announcements.

We have much to be grateful for as we live in the Greatest Country in the World. Have a Happy New Year, and I will see you in 2023.

—Susan Ruch

HAPPY NEW YEAR! May 2023 be a year of Health, Happiness, and the kind of year YOU want it to be for you, your family, and our beloved country.

In 2022, CCRW donated to Paws Up For Veterans and The Northern Nevada Dream Center every month (except December). In December, CCRW filled 23 "Dream Bags" for The Dream Center so that they could help provide needy families with a Christmas meal. CCRW also helped Advocates To End Domestic Violence fill a "Wish List" of gift items for the women and their children living at the Advocates' shelter. Thank you so much, dear members, for "Making Spirits Bright"! You are appreciated so much for being thoughtful, generous, and caring. You exemplify the word "Caring" with your actions. Thank You!

"Thanks Be" goes out to Marie Bensinger, who supplied several "Cuddly Creatures" and "Court Therapy Critters" for CASA in 2022. Your compassion is to be commended, Marie.

I'd like to also thank the following ladies who volunteer on "Kindness Thursdays" at the Carson City Senior Center. We work in teams of two or three every Thursday at the Centers' Lunch Time. Each volunteer can pick the date and how many Thursdays in that month they can volunteer. These ladies help serve and bring a smile to every senior. They are Mike Gutter, Julie Landenberger, Taunya Milligan, Pat Wentworth, and myself. Your time and caring are so much appreciated!

I hope to see a big turnout at our CCRW January Luncheon at Casino Fandango. CCRW's "Woman Of The Year" will be announced and congratulated for her accomplishments on behalf of CCRW in 2022. Please join us to see who it is.

I'll close with a "common sense" quotable by Madeleine L'Engle: "A new year can begin only because the old year ends."

— Carolee
