Summer Day's August Nights

I hope you have been busy enjoying Beautiful Nevada? Taking advantage of last-minute vacation days and enjoying all the warm smoke free days? So far, we have been blessed with clear clean air and night skies filled with it seems zillions of Stars.

While out and about I'm asking you if you haven't already, take the time to see the movie "Sound of Freedom". A true story that follows Tim Ballard a man who worked for Homeland Security about 12 years and what he saw and experienced made him quit his job and devote his life to catching child sex traffickers and saving Gods Children that are Not for Sale!!

Mr. Ballard has filmed and documented his work so some of the footage seen in the film was from his own. The movie was held hostage for about five years by Hollywood movie makers, big companies and people that did not want the American public to hear or see the truth about child abduction around the world.

Many of us have heard of the movie but the media has done a great job of giving us reasons not to go. Some of us have made up our own reasons.

Please DON'T! It is Educational, Shocking and sometimes Sad.

WHY? because it presents the truth of what is happening all over the World with God's Children.

Child Trafficking has grown to be a 150-billion-dollar organization.

Statistics show 6 million boys and girls aged 4 and up have been abducted and used for Sex Slaves, Work Slaves, and body parts removed.

United States is one of the biggest Countries in the world for child trafficking.

Tim Ballard made this movie for US, You and I to become Educated, Aware so Hopefully all of US working together can End Child Trafficking.

God Bless America , God Bless God's Children

CARING FOR AMERICA

Carolee Berglan, Chair,

775-841-1732

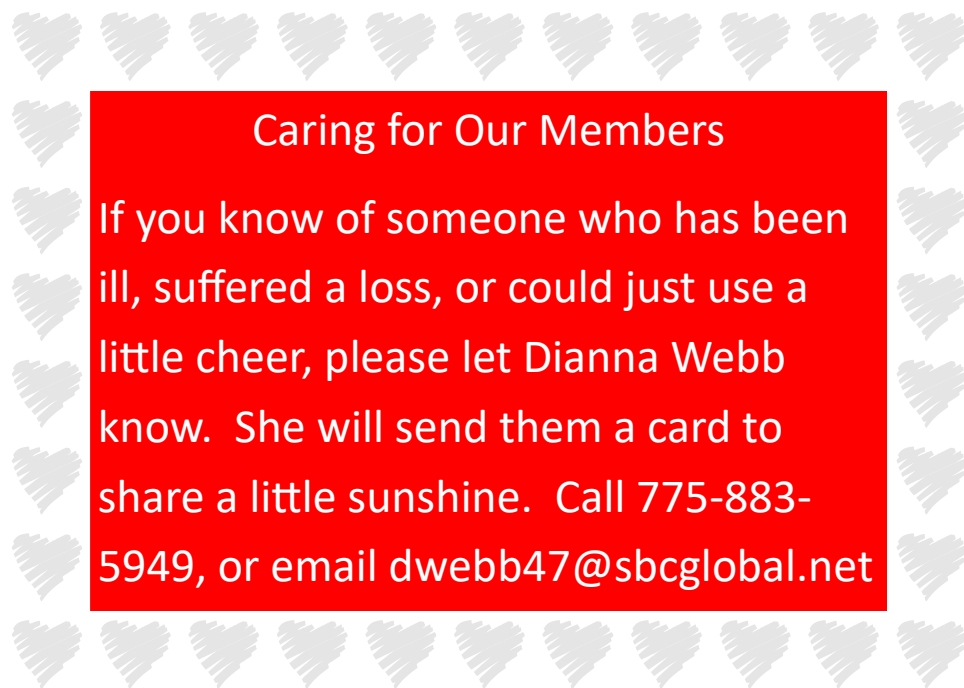

This year is going way too fast! In July, CCRW donated \$70.00 to Paws Up For Veterans and \$63.00 to The Northern Nevada Dream Center. Thanks to all of you who donated at our July Luncheon. You are always greatly appreciated.

Please remember to stop at your Caring For America table at our luncheons. There are hand-outs and other information about our "causes". Questions about them are always welcome, as are your suggestions. Our next luncheon is on Tuesday, August 15th. Hope to see you there.

Our "Kindness Thursdays" at the Senior Center at their lunch time is looking for two more helpers. We work as a group of 2 or 3 Republican Women and we arrive at 10:45 to start helping, as needed. The remodeled dining room and kitchen area look wonderful. The time that we spend there is rewarding. Call me or talk to me at our August Luncheon.

Hope your summer is going well and that everyone in your household is doing well.

I'd like to close with this quotable by Henry David Thoreau: **"Success usually comes to those who are too busy to be looking for it."**

Caring for Our Members

An interesting bit of history...

POW & MIA BRACELETS

Nickel-plated and copper bracelets, created about May of 1970, had the rank, name, and 'loss' date engraved on the bracelet.

During the Viet Nam war, 726 soldiers were taken prisoner and or killed. Of those, 661 were returned. Two college students came up with the idea to make bracelets to increase awareness of the ongoing war without controversy so our POWs would not be forgotten.

Nickel bracelets cost 30 cents to make, and copper was 75 cents. They sold for \$2.50 and \$3.00. **Over four million were sold, with \$7 million raised.** Movie stars, fashion models, and grandparents wore them. They were worn all the time, only taken off to shower. They often turned the skin green, prompting many people to line the inside of the bracelet with clear nail polish.

When the POW came home, the bracelets were often given to the soldier. There are three on display at the National Museum of American History in Washington, D.C.
