## **Chris Cuomo Surprisingly Defends Trump – Shoots Down Democrat Claim “Threat to Democracy”**

By [James Conrad](#) | September 20, 2024

Democrats have spent years launching vile attack after vile attack on Donald Trump. They constantly claim that Trump is the one who lies and can't be trusted. Yet many of the left's allegations about the former president are either blatantly false or completely unfounded.

During his many years as a CNN anchor, Chris Cuomo pushed many of these lies about Trump on a daily basis. That's why it came as a shock when he just shot down one of the left's main anti-Trump claims.

Cuomo was fired by CNN in December of 2021. Now no longer beholden to the liberal network's radically anti-Trump agenda, Cuomo is exposing one of the left's biggest lies about Trump.

From Daily Caller:

“Donald Trump is not a threat to democracy. Project 2025, it's conservative values — like them, don't like them. Unitary executive, giving a president more power, it's not the same as making him a despot or a dictator, okay? Getting rid of the Department of Education — I don't like the idea, it's not destroying democracy, and the distinction matters,” Cuomo said. “Neither is a threat to changing America's institutions. I don't believe that. But Project 2025 says he wants to replace the bureaucracy with his own people. Yeah, it's also not going to happen. And even if it did, it wouldn't destroy the institution, it would just put a bunch of people in there.”

“Now, you may find that unsatisfying because you want Trump to be bad. He gives you enough ammo. The truth is enough. Don't stretch it and pervert it, because then you are becoming what you say you oppose, which is a sub-theme to the threat to our democracy.”

# *The Trumpeter*

## CUOMO IS SPOT ON

We've rarely agreed with Cuomo over the years. With this statement, however, he's spot on!

Throughout much of the last decade, it's been difficult to go even one day without hearing at least one prominent Democrat accuse Trump of being an "existential threat to democracy." However, many would argue that it is Democrats who actually pose the true threat to democracy with efforts like their quest to take down voter ID laws.

Then there's the official Democratic Party website, which even states that it is a "fact" that Project 2025 is a "Trump-Driven Operation' To Let Him Be a Dictator on Day One."

What?!

Democrats have the nerve to keep pushing this falsehood when Trump has repeatedly denied having any involvement in Project 2025. Indeed, there is virtually no evidence linking him to it at all.

Despite all of this, the mainstream media continues to push the lies about Trump being a threat to democracy and a wannabe dictator. Unfortunately for them, this could end up blowing up in their faces in a big way.

The race between Trump and Kamala Harris is so close that the Independent vote is likely going to be crucial. Independent voters see right through the mainstream media. Even Independent voters who aren't the biggest fans of Trump have had enough of the media's constant bashing of the former president.

If more members of the media like Cuomo start having the guts to break down the big lies that are being told about Trump, it might just be enough to win him the bulk of the Independent vote. In the end, the liberal media's obsessive hatred for Trump may finally have gone too far.

## KEY TAKEAWAYS:

- Chris Cuomo admits Trump isn't a threat to democracy.
- Cuomo says Trump doesn't want to be a dictator.
- Cuomo says Project 2025 is just "conservative values."

**Amy Brown will also be speaking on October 15, 2024.**

**Amy Brown** is a former U.S. Army Captain and dietitian, who met her husband, Sam Brown, while caring for him after he was severely injured in Afghanistan. Together, they have three children. Amy balances her time between homeschooling her children and her public life with Sam. A key figure in Sam's campaign, Amy frequently joins him on the trail. The Brown family resides in Reno, Nevada, where their lives are grounded in faith, family, and a commitment to community.

## **September meeting highlight**

During the September CCRW meeting Lisa Krasner informed us with an excellent presentation about the upcoming ballot measures in this year's election. Now all of us have a much clearer idea on what's important to know when we cast our ballots.

### Kamala Announces Construction Of 'Murderers Only' Express Lane At Southern Border

CRIME • Sep 26, 2024 • BabylonBee.com

CALEXICO, CA — Border Czarina Suprémè Kamala Harris has just announced that she will be implementing a new national security measure at the southern border checkpoints: a Murderers-Only Express Lane just for illegal immigrants who have been convicted of killing two or more people.

Sources within Kamala's administration say that the measure is meant to help reduce processing times at the border by not making murderers wait quite as long in line.

# The Trumpeter

## The Babylon Bee

"We're really just hoping to provide an equitable entrance for these Democrat vot — I mean, honored guests of the United States," said Gayle Quimble, aide to Harris. "The new Murderers-Only lane will hopefully allow us to sort out the wheat from the chaff, so to speak. There are getting to be so many murderers, it's just clogging up the system."

Kamala Harris commented briefly on the situation, saying that she had no connection to the situation and that the country can't take four more years of this.

"When I am in office, from day one I will holistically be undoing the holistic mistakes of the current administration," said the Vice President of the current administration. "Holistically speaking, I have never been the Border Czar holistically, in a holistic since, but I will solve the Border in a very quick yet holistic way. Holistic."

At publishing time, Kamala had also instructed border patrol agents to add lanes for Venezuelan gangs as it was getting too busy to process them all.

## SAVE OUR ELECTIONS

Help us fight to ensure election integrity.  
**It should be easy to vote, but hard to cheat.**

### POLICY RECOMMENDATIONS TO ENSURE SECURE ELECTIONS

- ✓ Ban ranked-choice voting
- ✓ Require voter ID
- ✓ Verify citizenship of voters
- ✓ Prohibit early vote counting
- ✓ Prohibit automatic voter registration
- ✓ Limit absentee ballots
- ✓ Verify the accuracy of voter registration lists
- ✓ Allow election observers complete access to the election process

## REJECT

### RANKED-CHOICE VOTING

The Left is pouring money across the country in an effort to overhaul our election system with Ranked-Choice Voting (RCV). RCV, also known as Rigged Choice Voting, is fraught with problems.

#### **RCV is prone to errors.**

Ballots are more difficult to fill out, and more difficult to count.

#### **RCV disenfranchises voters.**

If voters do not rank multiple candidates, their vote may not even be counted.

#### **RCV undermines the democratic process.**

The winner in RCV is often not the choice of a majority of voters.

**RCV is about political power, not about what is best for America.**

## NV Abortion Amendment TRUTH

### CURRENT NEVADA ABORTION LAW

Nevadans voted in 1990 on the Question 7 Abortion Referendum effectively freezing abortion law. No legislator, governor, or elected person can change it, **ONLY** a vote of the people.

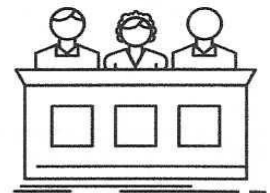

- Abortion **legal up to six months** (for any reason or no reason).
- Abortions **MUST** be performed by a **licensed physician**.
- After six months for if for the "health of the mother," abortions must be done in a licensed hospital.

### WHAT THEY WANT

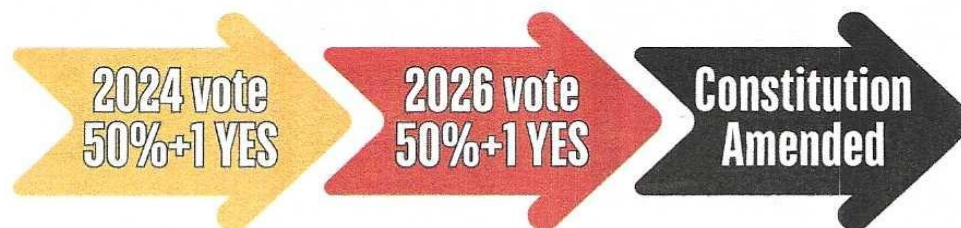

*Reproductive Rights Amendment [section 1] "All individuals shall have a fundamental right to abortion performed or administered by a **qualified health care practitioner** until fetal viability, or when needed to protect the life or health of the pregnant patient, **without interference from the state or its political subdivisions**. The right established by this section **shall not be denied, burdened, or infringed upon** unless justified by a compelling state interest that is achieved by the least restrictive means."*

### WHAT DOES AN AMENDMENT DO?

A constitutional amendment provides the boundaries that all laws - past, present, and future - must fit within. The Reproductive Rights Amendment is vague. **Judges will decide all abortion law.** The people will have no say once it passes.

### PROCESS TO AMEND CONSTITUTION

# The Trumpeter

## NV Abortion Amendment CONSEQUENCES

### ELIMINATES PARENTAL INVOLVEMENT

The Amendment extends reproductive rights to everyone – “all individuals” – which includes minors, eliminating any requirements for parental consent or notification prior to a minor child’s abortion. Parents (or guardians) should be involved and provide consent in all medical decisions of their underage children. **ABORTION IS NO DIFFERENT.**

### UNSAFE FOR WOMEN

- Amendment replaces “licensed physician” with “healthcare practitioner” - very vague...“dentist?”
- “Without interference from the state” endangers important health and safety standards that women should depend on and will benefit from.

### ALL 9 MONTHS - BARBARIC

- FETAL VIABILITY (the point after which abortion is not allowed) will be defined by the “healthcare practitioner.” The person making money decides whether the baby is viable and allowed to live.
- Current law specifies 6 months limit. They want no limit.
- All clinic health and safety regulations that protect women will be jeopardized. UNSAFE.

### LANGUAGE IS VAGUE - JUDGES WILL DECIDE...

“All individuals shall have the fundamental right to abortion...” MEN TOO? Judges will decide.

## Most Significant BALLOT QUESTIONS

### Question # 3 Vote NO!

- 1 Ranked choice voting is a scheme to disconnect elections from issues and allow candidates with marginal support from voters to win.
- 2 It obscures true debates and issue-driven dialogs among candidates and eliminates genuine binary choices between two top-tier candidates.
- 3 It also disenfranchises voters, because ballots that do not include the two ultimate finalists are cast aside to manufacture a faux majority for the winner.

**Question # 5** Eliminating taxes on Diapers for Babies and Adults. The Republican Party believes it is a GOOD IDEA and helps FAMILIES AND SENIORS. However, we do not know the actual wording of the bill. *It could be a YES or a NO.* We are waiting to see the final draft from the Attorney General's Office.

**Question # 6** This is a Reproductive Bill. The bill has nothing to do with women's reproductive rights. It is an abortion bill. The bill will allow women to abort a 9-month old baby in the womb and after. This "infantacide" bill is a definite **NO**. Again, we do not know how the question will be worded. Our state law now allows for a woman to abort for up to 6 months and later with a doctor's approval.

**Question # 7** This question addresses Voter ID. Most voters want Voter ID, so technically, it should be a **YES**, but we do not know how the Attorney General will write the question. Please stay tuned. We will address the final drafts of all questions as soon as they are available.

## CARING FOR AMERICA

Carolee Berglan, Chair,

775-841-1732

It must be fall as the leaves are changing colors and starting to come off the trees. We also have our monthly CCRW Luncheon at Nashville Social Club on Tues., October 15th. It is a joy to see some former members returning. You are welcome, anytime.

At our September luncheon, \$77.00 was collected for Paws Up For Veterans and \$64.00 was collected for The Northern Nevada Dream Center. Thank you for caring about both organizations. Your donations are needed and greatly appreciated by both organizations.

If you would like to "fill" a Dream Bag, again this year, with groceries for the needy families in our community, please come to the Luncheon on the 15th. There will be a sign-up sheet on our Caring For America table. Last year, our ladies did an outstanding job of "filling" their bags and added little extras to make it even more special. Please feel free to ask questions and sign up to receive a bag. Your thoughtfulness reaches out into the community and brings smiles of happiness to many in our community who are less fortunate.

Also, because a really important election is coming up on November 5th, please remember to look at your ballot early, make your choices, sign and seal it and return it to the Clerk's Office, personally. It is important that you vote early so that your vote counts! Don't count on the mail to get it there on time. It feels good to give it to a real person who checks the signature in front of you.

One of our Founding Fathers, Thomas Paine, said this: **"When men yield up the privilege of thinking, the last shadow of liberty quits the horizon."** Vote early and remind others to vote. Your Country is depending on you!
