Volume 46 Number 8

AUGUST 2021

PRESIDENT'S MESSAGE

Dear Fellow Members,

Thank you to everyone who attended Freedom Fest, for your support of CCRW and CCRP. How I wish all of you could have attended that fabulous event, because it was the refreshment our party needed after all that was cancelled in 2020.

As you recall, the Tamarack Fire had been darkening the skies with smoke and ash for many days before the event. It had been hellishly hot for about a week, and I know several people who did not attend the outdoor event for health concerns. Miraculously, a few hours before opening, the skies cleared, the wind died down and the sun shown beautifully in cooler, 84 degree weather.

Everyone was so happy to see each other; the hugs were genuine and there was a warm sweetness in the air. Scott Hoen is the new CCRP Chairman, and this was his first go at organizing Freedom Fest, which we co-hosted this year (we usually take turns). He did the agenda, and Marti Cockell was the committee chair for both CCRW and CCRP. Kim Fiegehen, the owner of Glen Eagles Restaurant in Carson City, provided the beautiful venue and delicious hotdogs and handmade hamburgers for this fundraiser.

Pres. Message cont.

Michelle Fiore was vivacious as ever. In her fiercely inspiring speech, she mentioned that toward the end of August she will announce her next political move. Whatever it is, it feels good to know our fiery warrior is planning to stay on the front lines for our values. Fiore made a generous donation from her PAC to CCRW and to CCRP, of \$1000.

We had attendees from all over the state, many different clubs and county parties, elected officials and candidates for office. I want to personally thank everyone who worked to make this happen, make it beautiful and energizing, and make our party feel whole again for one beautiful night. It gives me hope that we can pull it off again for the Nevada Day Pancake Breakfast on Saturday, October 30th.

Our next luncheon meeting will be on Tuesday August 17th at Casino Fandango. After basking in the glow of Freedom Fest, I was disappointed to hear our governor decided to make us all wear masks again at any inside public event. So it looks like we'll be back to that at our next luncheon meeting, so please be prepared when you come to the Fandango.

On that note, please remember what I told you about the beautiful time we had at Freedom Fest. There are things we can look forward to, and things we can do to help fight for the good guys to take back Nevada. Keep your eyes on the prize.

Warmest Nevada Regards,

Sherese Settlemeyer, CCRW PRESIDENT

**ATTENTION CCRW COMMITTEE CHAIRS
Anita Kornoff**

Our website is up and running with plenty of new posts each month and information on the many aspects of the club. I ask that each Committee Chair take a moment to review the listings on the site relating to what you do.

HERE IS HOW: Log on to our website ccrwclub.com. On the menu bar at the top, you will see a tab for **COMMITTEE NEWS**. Click on that and a drop-down list will be visible. Choose **your committee's name**. After you've read the details about your committee, let me know if you have any corrections or additions so that I may update them. **My number is 775-781-1995, email address manxmania@yahoo.com.**

While you are at it, please go to the **OFFICERS** tab on the menu bar at the top (to the left). Scroll down beyond the board members' names to find a listing of all CCRW Committees. Please double-check and make sure the job you do is listed correctly.

I work continuously at keeping our website current and accurate but can only do so with your cooperation. Outdated websites with incorrect information are a poor reflection on any group. If you spot anything in any area that needs to be updated, please let me know right away and I'll fix it. If you have any questions on how to check this, please feel welcome to call me for help.

CARING FOR AMERICA

Carolee Berglan, Chair
841-1732

Here comes August, ready or not. I'm praying that the fires can be controlled and that our air quality improves.

Our August CCRW Luncheon will be on Tuesday, August 17th at Casino Fandango. There will be two guest speakers: Susan Sorenson, Executive Director of the Northern Nevada Dream Center and Ann Kinney of Paws Up For Veterans. Please come and learn more about these two wonderful organizations and why we support them with our monetary donations at each monthly luncheon.

CASA (Court Appointed Special Advocate) helps the needy or neglected children of Carson City. Your donations of a roll-type suitcase, duffel or bigger backpacks are given to CASA with a fleece throw and a "cuddly creature" inside. The smaller stuffed animals are our "Court Therapy Comfort Critters". A youth can choose the one they want to take into court with them. *Thank you for caring!*

The Northern Nevada Dream Center helps our community in **SO** many ways. Find out more at our luncheon on August 17th. In July, \$70.00 was given to this worthy cause. *Thank You!*

Paws Up For Veterans is all about helping combat veterans live with PTSD or TBI, or Mobility issues. The Service Dog that they get for FREE helps a Veteran transition back into everyday life. Find out more at our August 17th Luncheon. In July, \$70.00 was given to this worthy cause. *Thank You!*

Advocates To End Domestic Violence help women/men and children recover and "move on" from an abusive relationship. They can always use your donations of "gently used" clothing, household items, bedding and towels. Call me at 841-1732 and I will gladly pick up your donations and take them to the Advocates Shelter. *Thank you for caring!*

"Kindness Thursdays" at the Carson Senior Center, every Thursday from 10:45 to 12:45 is going along nicely, thanks to: Kim Angelo, Janey Dorrell, Mike Gutter, Kaye Keeton, Julie Landenberger, Taunya Milligan and Pat Wentworth. I truly appreciate you **ALL!**

"Thanks Be" goes out to Marie Bensinger, my "Cuddly Creature Lady" for the donation of more adorable cuddly creatures, and to Mary Burgoon for her donation of beautiful "gently used" clothing. *Thanks a bunch!*

I'll close with this quote from John Wooden: **"Don't let what you can't do stop you from doing what you can do."**

Membership Chair & 2nd VP Joann Mathis

The trouble with not having a goal is that you can spend your life running up and down the field and never scoring. One of our goals in membership is to have a viable, functional club with members who enjoy meeting for a common purpose of educating ourselves in Nevada politics. We continue to welcome current and new members who are doing just that while still enjoying new friendships. Thank you all!!

A reminder that our volunteer opportunity forms are on the front table. If you think of something that is not on the form please add it and turn it in. We welcome new suggestions!

Our new member event on September 29th at Glen Eagle Restaurant at 6 PM is to honor all members who have joined this past year beginning in September 2020. Our current board and committee members will be there to greet you and answer any questions you may have. Light refreshments will be served! There will also be a drawing for a fun gift!

We need old friends to help us grow old and new friends to help us stay young!

THANK YOU VOLUNTEERS

Sherese Settlemeyer

I want to give a special thank you to the wonderful ladies from our club who went to Freedom Fest early, who worked hard to make the event fabulous.

Many thanks to Susan Ruch, Beverly Collins, Diane Allen, Rose Kinsley, Anita Kornoff, Pat Wentworth, Jo Ann Mathis, Laura Fitz, Joy Trushenski and Carolee Berglan.

Thank you for volunteering your valuable time, to make Freedom Fest '21 a success.

LEGISLATIVE CRIER

Susan Ruch—Legislative Chair Understanding Critical Race Theory

In the upcoming election cycle, one of the key issues is Critical Race Theory or CRT. Critical Race Theory is taking over our schools, therefore we need to understand what is actually being taught to our children. At this juncture, we should ask every candidate their opinion on school choice and CRT and how they will stop the indoctrination of our students in public schools (our current NV assemblypersons refer to our schools as government schools, which is sounding more like Russia and or China). Unfortunately for Nevada, our legislature passed AB262, which mandates **all government** schools (public) including Charter schools must teach Critical Race Theory.

Are you asking yourself at this point what exactly is Critical Race Theory? What does it have to do with education? Actually, it has nothing to do with education and everything to do with racism and equity. *"Critical race theory is an ideology which maintains that the United States is a fundamentally racist country and that American institutions such as the Constitution, property rights, color blindness, and equal protection under the law are vestiges of white supremacy, patriarchy, and capitalist oppression - all of which must be overthrown in the name of 'antiracism.'"* Critical Race Theory is an offshoot of critical theory, the brainchild of the Frankfurt School, a group of 20th-century Marxists associated with the Institute for Social Research.

What are they teaching in our classrooms?

- Classic Marxist /CRT divides everyone in society into classes of oppressed and oppressors.
- Cultural institutions that stand in the way of the Marxist revolution must be destroyed through relentless criticism (hence the name: critical theory).
- Introducing critical race theory into K-12 classrooms in the U.S. is to indoctrinate and racialize the fact of rule towards race and history. The history of our country is being whitewashed to support the Marxist ideology of this movement.
- CRT **censures** unapproved viewpoints of history as relics of white supremacy. White people are the oppressors and everyone else is being oppressed by the White Privilege.
- CRT includes the new catch phrase "Equity." This curriculum starts in kindergarten where children are being taught subtly everything must be equal. They first started with sports years ago with everyone is a winner, no 1st, 2nd, 3rd place which is not the reality of life.
- Students are being taught S.H.A.R.E. a hyper-sexualized education

Seattle and Portland have the first crop of students whom have been indoctrinated. We have a good view of what is to come if we do not put a stop to this agenda. Critical race theory is the gravest offender of sowing hatred of each other and our country. Children learn hatred instead of friendship, hostility instead of goodwill. The election of 2022 will be a referendum of Critical Race Theory, as most parents who are informed want CRT eliminated from their schools.

Dr. Ben Carson stated, ***"And it is interesting because we are a Judeo-Christian foundation nation. What does the Bible say? 'Man, looketh on outward appearance but the Lord looketh on the heart.' Isn't that the same thing that Dr. King was saying? Judge people on the basis of their character, not their external characteristics."***

Dr. King accomplished so much good during his life but now his work does not fit the agenda of the Marxist Left. What can we do? Once more read, educate and share with family and friends. Vote the leftist from office in 2022. We need to stop Critical Race Theory from poisoning our children's minds and destroying our country.

Carolee Berglan—Caring for America Chair

PAWS UP FOR VETERANS

Paws Up For Veterans is a non-profit, Fallon based organization that was established by a group of combat veterans that used Service Dogs. They recognized the efficacy of using a Service Dog to better enable a Veteran to transition to civilian life. Joining with experienced Service Dog trainers and volunteers, Paws Up For Veterans was born.

Ann Kinney, Trainer and Instructor, and her husband Bob are making it possible to have Veterans that live with PTSD (Post Traumatic Stress Syndrome), TBI (Traumatic Brain Injury) and some mobility issues to transition to civilian life.

The Veterans are charged nothing for the dog because "each Veteran stepped forward to swore to risk it all for America and for you and me, that we might live free".
